## Profile

Passionate React Native Developer with 2+ years of experience building scalable mobile apps, robust web platforms, and secure backend systems. Focused on clean architecture, performance, and delivering user-centric digital solutions.

## Professional Experience

10/2024 – Present Bangalore, India	<b>React Native Developer</b> <i>Dalocal Technologies Pte Ltd</i> Led the development of a secure <b>verified digital identity platform</b> with features like profile ID cards, hiring workflow management system, and a social community. Collaborated with frontend and backend teams to ensure seamless integration and scalability. Optimized performance by <b>reducing app size by 40MB</b> , eliminating unnecessary re-renders, and cutting <b>12,000+ lines of code</b> through reusable components and <b>Redux Toolkit</b> .
07/2024 – 10/2024 Indore, MP, India	<b>Full-stack Developer</b> <i>Mobile Safety Care</i> Developed and deployed a complete React Native multi-vendor mobile repair app on the <b>Google Play Store</b> , with <b>Redux Toolkit</b> for state management. Integrated features like <b>refer &amp; earn</b> (dynamic linking), <b>coupon discounts</b> , and a dynamic admin panel for shop and service management. Built a secure <b>Node.js + MongoDB</b> backend with <b>Firebase Messaging</b> and <b>Twilio OTP authentication</b> .
11/2023 – 03/2024 Indore, MP, India	<b>React Native Developer</b> <i>Niyoin Coders Pvt Ltd</i> <b>Delivered 5+ projects</b> on time, including <b>fintech app</b> (payments, bill pay, micro ATM), a healthcare <b>SFA platform</b> , and a temple app. Worked on React Native, React.js, and Kotlin, collaborating with cross-functional teams and foreign clients. Emphasized clean architecture and used <b>Redux</b> for state management.
10/2022 – 04/2023 Indore, MP, India	<b>React Native Intern</b> <i>Ypsilon It Solutions Pvt. Ltd.</i> Contributed to the complete development lifecycle of mobile applications using React Native. Designed and built user interfaces from scratch, followed scalable architecture and <b>reusable component</b> patterns. Gained hands-on experience in third-party library integration, <b>Google Maps</b> setup, and implemented <b>authentication</b> .

## Education

07/2021 – 08/2024 Indore, MP, India	<b>Bcom (Computer Application)</b> <i>Maharaja Ranjit Singh College of Professional Sciences</i>
07/2020 – 04/2021 Depalpur, MP, India	<b>12th</b> <i>Modal School</i>
07/2018 – 04/2019 Depalpur, MP, India	<b>10th</b> <i>Saraswati Vidhya Mandir</i>
