

# ANKIT CHOUDHARY

## FULL STACK REACT NATIVE DEVELOPER

### SUMMARY

Creative React Native Developer with strong Redux expertise, building high-performance apps and pixel-perfect UIs. Passionate about smooth UX, clean code, and turning complex ideas into sleek, scalable mobile solutions.

### EXPERIENCE

#### Ypsilon It Solutions pvt. ltd.

Indore, India

React Native Intern

10/2022 - 04/2023

specializing in web and mobile development, CMS solutions, e-commerce platforms, DevOps, and digital marketing

- Assisted in developing and maintaining cross-platform mobile applications using React Native.
- Implemented reusable UI components with responsive design for Android and iOS.
- Collaborated with senior developers to integrate REST APIs and manage state using Redux.
- Participated in code reviews, bug fixing, and performance optimization tasks.
- Gained hands-on experience with Git, Agile methodology, and third-party libraries.

#### Niyoin Coders pvt. ltd.

Indore, India

React Native Developer

10/2023 - 02/2024

Niyoin Coders is a service-based IT company delivering cutting-edge web, mobile, and cloud solutions to clients worldwide.

- Completed 5 projects as a React Native and React.js developer.
- Implemented seamless API integrations in mobile apps.
- Contributed to enhancing user experience through innovative app features.
- Collaborated effectively with cross-functional teams to meet project deadlines.
- Increased app performance by 30% through code optimization and refactoring.

#### Mobile Safety Care

Indore, India

Freelance Full Stack React Native Developer

06/2024 - 10/2024

Mobile Safety Care offers mobile repair services with convenient free pick-up and delivery, accessible through a user-friendly mobile application.

- Built end-to-end mobile applications using React Native (frontend) and Python Flask (backend).
- Designed scalable architecture for efficient performance.
- Designed clean, responsive UIs and implemented robust state management with Redux.
- Created a fully functional admin panel for management on time.
- Executed social media marketing campaigns, boosting user acquisition and engagement.

#### Da Local Technologies

Bangalore, India

React Native Developer

11/2024 - Present

Dalocal Technologies is a Singapore-based IT company specializing in digital identity solutions and AI-powered platforms. Their flagship product, **NEOIN**, streamlines user engagement through digital business cards, secure banking, and KYC verification.

- Improved app stability, reducing crash rates by 35% across mobile applications in the portfolio.
- Reduced app loading time by 40% by implementing efficient code structures and optimizing assets.
- Collaborated with backend teams to integrate secure verification processes and improve user experience.
- Participated in the full product lifecycle, from ideation to deployment, ensuring seamless UI and UX across the platform.
